Late Again!

Due to Meg (aka Ms Nar) still being in the hospital and the deadline for the term paper for my grad-level distance course on Global Environmental Policy being due, I just didn't get the time last week to finish BORIS. We'll push back the deadline this time, and synch right into our normal "First Friday" deadlines for June and July only to get out of synch again in August due to WBC.

Ms Nar update: Our favorite Avatar of Fate went into surgery 18 Mar for what the doctors thought was a cyst in the ovarian region (the CAT scans were fuzzy so they weren't sure what was in there, but it was big). They thought they'd have her home by that Thursday or Friday. Turned out it was an abscess due to a perforated colon, not anything cancerous, so the news was short-term bad, but long-term good. Anyway, they were talking about releasing her on 2 Apr, but then her platelet count spiked and they found another infection. As I write this she's still in the hospital, and they're still trying to quash infection. Looking ahead, she was going to need to return to get her colon reconnected 6-8 weeks after the original surgery, so that's 10 to 25 days away.

In this moment of weakness, we're starting two new games. MACHIAVELLI '95 Scenario #3 and TITAN. Both have openings. See p 3 if interested.

GAME OPENINGS: (if interested, send stand-by orders)

CIRCUS MAXIMUS: Leadfoot Laertes and Whiplash Willie are available

DOWN WITH THE KING: Anderson's Sir Jeffrey.

BORIS'S BULLETIN BOARD

THOUGHT FOR THE MONTH: "The naked truth is always better than the best dressed lie." -- Ann Landers (Obviously not a DIP player).

Deadline for most games is 1800 CDT 9 MAY 03

COLLAPSE IN THE WEST!!

Spring 1904

XVI

2002C

MIRKWOOD: It looks to be curtains for the West. The Germans and Italians have entered France in strength and even a modicum of cooperation will leave the French in command of only BRE & LPL. England will have but EDI as the Russians race to join the fray before the goodies are gone. The Turks would appear to be the next target of choice, although Austria is clearly in the middle.

TROOP MOVEMENTS:

English A SWE retreats ocb. French A BUR retreats to PAR. French A MAR retreats to GAS. England disbands F NWY. France disbands A PIC. Germany build A MUN. Italy builds A VEN & F NAP. Russia builds A MOS.

AUSTRIA (R Fisher): A Gal-Bud, A Ser S F Gre-Bul(sic), F Gre-Bul(sic), A Bud-Tri, F Ion-Aeg.

ENGLAND (Morrison): F Nwg H, F Ska H.

FRANCE (Beyum): A Gas S F Lyo-Mar, A Par S A Gas, [F Lpl-Wall], F Lyo H(u, r-??), [F Gas-Mar]nsu;

GERMANY (Anderson): A Den-Kie, A Ruh-Bur, [F Lon-Wal], A Bel S A Bur-Pic, A Bur-Pic, F Bal-Den, [A Mun S A Rhu-Bur]nsu;

ITALY (K Wikon): A Spa S A Mar, A Mar S A Ven-Pie, F Tyn-Lyo, F Wes S F Tyn-Lyo, A Ven-Pie, F Nap-Tyn;

RUSSIA (Fowble): [A Rum S A Ukr-Sev], A SIP S F Swe-Nwy, F Swe-Nwy, A Ukr-Sev, A Mos S A Ukr-Sev;

TURKEY (Nichols): F Con-Bla, A Ann S A Sev, A Sev H, [A Bul-Rum]r-??, F Aeg-Gre.

Orders in brackets fail; d = disbanded, ocb = off the board, otm = on the move, r-?? = must retreat somewhere, u = unordered. See map at <http://hometown.saf.com/prulducduboris/mindex.html>

French F LYO must retreat ocb or to TUS. Turkish A BUL must retreat ocb or to CON.

Due next time: Your orders ^F_A for Fall 1904 and Press.

EMBASSY BEAT

England to Germany: You wanted Russians you got them.

England to France: Enjoy the German presence in Paris.

Italy to France: NMRE!! That's not like you. I didn't hit you that hard. Come back and play. It was just starting to get fun!

Italy to England: You too? I hope it isn't contagious. I'd hate to push France out of his home centers just to see him take yours from you.

Italy to Germany: As I said in my note, I have no problem agreeing that PAR and BRE will be German. We'll work to that objective.

Italy to the Board: Would Svenotti from the Mach game please come write my press. He was so much more interesting.

MACHIAVELLI WHERE TO BEGIN?

2003????

OK, Scenario 3 "Struggle for Dominance (Part 2)" has been suggested, so that's what we'll do. Rather than work through complicated permutations of options, let's do it this way. You have the choice of the Basic Rules (Sections 1-7), the Advanced Rules (sections 1-11), or the Full game rule rules except Section 12, Excommunication, which wouldn't be enforceable in play anyway. So what I need from prospective players are a preference list of countries (for a 4-, 5-, or 6-player game) and which rule sets you want to play (Yes, will play but don't care to (Abstain), and won't play period (Veto). So a feticious Joe Cool might answer:

4-player: F/T > M/P > V > A

5-player: F/T > Y > P > R > M

6-player: V > T > P > M > F

Basic (A), Advanced (Y), Full (V)

If we can't get at least four of you to agree on a rule set, we'll punt and try again next time.

TITAN

Let's Begin
Turn 0

The Cast:

- | | | |
|---------------------------|----------------------------|------------------------------|
| 1. Mark Frueh (Tower #1) | 2. Andy York (Tower #4) | 3. Alan Bargender (Tower #6) |
| 4. Walt O'Hara (Tower #5) | 5. Cary Nichols (Tower #2) | 6. Laird Khooz (Tower #3) |

The player number refers to the virtual seating order around the board should we play this phase, which, since Cary doesn't have e-mail and the Laird's is iffy, isn't likely. Check out reference 1 for the pbm Rules and Reference 2 for all sorts of TITAN related stuff. A Cyberboard version of TITAN can be found at Reference 3.

Due next time are your color preferences, your preferred legion markers, your split of your initial stack (Titan, Angel, 2 Cyclops, 2 Ogres, and 2 Gargoyles), your first move and your mustering orders. Your Turn 1 die roll is ___ and your Mulligan roll is ___.

stuff next time I visit the Greek wine merchants-- don't want him to think I'm persecuting him'... he muttered to himself, as he brought the horses into the turn as smoothly as he could. Hmmm... the field had not yet narrowed. As he had sovery predicted, the dolphin would not go to him on this round, but that's to be expected when your chariot is such a blasted wright. Once again, he inwardly cursed the hapless drunkard of an Egyptian horse-doctor that "allegedly" looked after the Red's team. Not even one dolphin down, and already number four was blowing hard with gobbets of horse-sweat flying off her. "Father Poseidon would be looking after his own if we don't put her down after this race, the poor creature" Rufus thought, grimly, as he leaned into the curve...

SETTLERS OF CATAN

FISHER SPEAKS!

D

Beiter

Cast: Mike Fisher (F) James Kanne (K) Rick Copeland (C) Debbie Anderson (A)

M FISHER: Thank you all for a wonderful game--a game closer than the final score would indicate. Strange set-up: Ore was so scarce and isolated that I chose to concentrate on Wool. Picking the last settlement to start can be a bad thing, so I was pleased that e4/d3/d4 was available. I worked hard to beat Copeland (and Deb A) to e3/d3/d4 as Kanne became powerful. Then LUCK played its part: I bought a card ("Road Building") which allowed me to build to the sheep port. At the end, I was surprised that I was able to gain the Longest Road bonus--it was done to force Kanne to respond (and to safeguard my last settlement-building site).

COPELAND: Way to go Mike. Really nice (if confusing) finish to this game. As a near novice to Catan, I would like to thank you for all the lessons you taught me--the hard way I might add. I will try to give you tougher competition next time. I look forward to crossing swords with all of you again.

THE PLEASURES OF LIFE

[The green movement] encourages people to feel alienated in a culture which has achieved so much. ... We've allowed ourselves to be robbed of the pleasure of living in the modern, industrial world. We've been made to believe that only wilderness represents true, beautiful nature when most of the world is a manscape.

Buttitia can't save WR, nor can Hanna save GW so they join too. Butcher is CGR Prez and may keep or discard the three 4-trains in favor of a borrowed diesel. Remember, if a Prez must contribute cash to buy the train, it must be bought from the Bank, either an abandoned 4-train or a 6-train or diesel. Grey tiles are available. The Bottom Line

This is **BORIS THE SPIDER**, a 'zine dedicated to the play of multiplayer games. **BORIS** is usually published following the first Friday of the month by Paul & Meg Bolduc, 203 Devon Ct, Ft Walton Beach, FL 32547-3110 and currently has a subscription price of \$10.50 for 12 issues in hardcopy (\$13.25 in Canada, and \$16 overseas) or a token \$1 by e-mail. A hardcopy sub will also include an e-mail sub. Make checks payable to "Paul Bolduc". **BORIS** can be reached at (850) 863-9081, or pbolduc@juno.com. If phoning, expect to be greeted by an answering machine. If we're here, not engaged in an epic computer battle or enthralled in baseball, hockey, or college football, and recognize your voice, you may get to talk to a real human, so don't hang up upon hearing our recorded message (it changes every power outage).
